MINISTERIAL RESOLUTION

Lima, June 14, 2011

Whereas, Files No. 11-040490-001, No. 11-044554-001 and 11-047291-001, which contain Fact Sheet No. 089-2011-OCS-OGC/MINSA, and Memorandums No. 352-2011-OCS-OGC/MINSA and No. 367-2011-OCS-OGC/MINSA, from the General Communications Office, and Report No. 334-2011-OGAJ/MINSA, from the General Office of Legal Services;

WHEREAS;

Through Law No. 28705, the General Law for the Prevention and Control of Tobacco Use Risks was approved;

Through Supreme Decree No. 015-2008-SA the Regulation to Law No. 28705, the General Law for the Prevention and Control of Tobacco Use Risks was approved and subsequently amended through Supreme Decree No. 001-2010-SA;

With Ministerial Resolution No. 899-2008/MINSA dated December 31, 2008, the “Graphic Statute for the Use and Application of Health Warnings on Packages, Cigarette Advertising and Other Products Made with Tobacco” was approved;

Subsequently, through Law No. 29517 Law No. 28705, the General Law for the Prevention and Control of Tobacco Use Risks, was amended in order to be adapted to the World Health Organization’s (WHO) Framework Convention on Tobacco Control, establishing in its Article 1 that its purpose is to protect [against] the exposure to tobacco smoke and to improve the warnings on the health damage caused by smoking, in compliance with the WHO Framework Convention on Tobacco Control;

Through Supreme Decree No. 001-2011-SA the Regulation to Law No. 28705, General Law for the Prevention and Control of Tobacco Use Risks, was amended and approved by Supreme Decree No. 015-2008-SA and amended by Supreme Decree No. 001-2010-SA;

Article 18 (18.3) of the aforementioned Regulation establishes that through Ministry of Health Ministerial Resolution the characteristics of the health warnings will be set forth;

Likewise, Article 32 of the above cited Regulation stipulates that for advertising purposes the health warnings on tobacco products, pursuant to the provisions of the Ministry of Health through a Ministerial Resolution, shall have an effective period of twelve (12) months and that these provisions shall be published in the Official Gazette “El Peruano” six (6) months in advance;

MINISTRY OF HEALTH, Republic of Peru, General Office of Communications, J. Alania V.

MINISTRY OF HEALTH, Republic of Peru, General Office of Legal Services, W. Olivera A.”]

To that effect it becomes necessary to approve a new Graphic Statute that regulates the technical aspects linked to the use of health warnings and health messages on packaging as well as the advertising regarding tobacco product use, so that it will agree with the specifications included in the amendments to Law No. 28705, General Law for the Prevention and Control of Tobacco Use Risks and its Regulation;

Through this document the General Communications Office sends the “Graphic Statute for the Use and Application of Health Warnings on Packages, Cigarette Advertising and Other Products Made with Tobacco” for its approval;

With the certification of the Director General of the General Office of Communications, the Director General of the General Office of Legal Services, and the Vice Minister of Health;

Pursuant to the provisions of Article 8 (I) of Law No. 27657, Ministry of Health Law;

IT IS HEREBY RESOLVED:

Article 1. – To approve the “Graphic Statute for the Use and Application of Health Warnings on Packages, Cigarette Advertising and Other Products Made with Tobacco”, which forms a comprehensive part of this resolution.

Article 2. – To establish as initial health warnings the graphics from pages twenty-three (23) and twenty-four (24) of this Graphic Statute, which must appear on the packages of cigarettes and other tobacco products within a term of 6 (six) months, counted from the day following publication of this resolution in the Official Gazette “El Peruano”.

Article 3. - To render Ministerial Resolution No. 899-2008/MINSA null and void.

Article 4. - To charge the General Office of Communications with responsibility for publication of this resolution at the email address http://www.minsa.gob.pe/transparencia/dge_normas.asp at the internet portal of the Ministry of Health.

Let it be recorded, made known and published.
